ABOUT US

Established in 1960, Dhananjay has been dedicated to crafting high-quality, flavourful, and wholesome snacks for over six decades. With the team of dedicated members, we take pride in roasting and flavouring chickpeas, makhana, and multi-seeds, ensuring each bite is crispy, nutritious, and delicious. Our commitment to using premium-quality ingredients and following the best production practices allows us to deliver snacks that are both healthy and indulgent.

With over 1 million happy customers and 12 outlets across Maharashtra, we continue to innovate and expand our range of 150+ delightful products, bringing a perfect balance of tradition, taste, and quality to every snack. At Dhananjay, we believe that great snacking is not just about flavour—it's about freshness, care, and a promise of excellence in every bite.
