ABOUT US:

Kaarvi Foods is committed to making real food simple, safe, and accessible. Guided by our philosophy of “Healthy Harvest,” we deliver clean-label products free from harmful additives.

We manufacture a wide range of freeze-dried products, including fruits, vegetables, herbs, sprouts, spices, and ready-to-eat applications, with capabilities for customized solutions.

Backed by a state-of-the-art facility and robust quality systems, we ensure consistency, safety, and reliability—making us a trusted partner for high-quality freeze-dried ingredients.

FREEZE-DRIED FRUITS & VEGETABLES:

With increasing demand for preservative- and additive-free foods, freeze-dried fruits and vegetables are gaining strong market acceptance. This technology helps retain natural taste, color, and nutrients—offering convenient, high-quality ingredients for a wide range of applications.
